

St. Therese, patron Saint of Little Way Children's Foundation, teaches us that we do not have to accomplish extraordinary things to make an extraordinary difference. We are called to do the small things placed before us with great love, trusting God to multiply them.

St. Therese is also the patron Saint of the Sisters of Mary, our key mission partner, serving 3200 girls at their Chalco campus in Mexico.

families. The Sisters live St. Therese's Little Way every day - quietly and faithfully giving their lives to provide a better future for the children in their care.

Little Way Children's Foundation is proud to partner with the Sisters of Mary in constructing a 20,000 sq ft Nursing and Dental Services School. This building will provide advanced education and career opportunities that will lift the graduates from poverty for generations to come.

Phase I of the building is complete! Your generous investment is something you can actually see - in the building, the classrooms, and most importantly in the young women who are already benefitting from it.

Now, we need your support in Phase 2 as we complete the second story with labs, specialty items and medical equipment. Any amount helps, and is maximized through our 100% commitment to give EVERY dollar donated to the project.

COFFEE WITH KRISTIN

Did you know? Your gift to LWCF can reflect what matters to you. I love getting to know our supporters - what moves their hearts, where they feel called to make a difference, and then connect their passion to opportunities to serve the poor.

As Little Way grows, so does our collection of high-impact projects. I would love to find a project that speaks to you! I'd love to sit down with you. No presentation, no pressure, just a conversation about Little Way, the communities we are privileged to serve, and where God might be calling each of us to make a difference. Have a cup with me, in person or virtually! Click the photo to schedule!
